Fairport Brewing Company - Trail Town Brown

After the months and years of anticipation, one of Rochester's newcomers to the brewing scene has now received its official licensing from the New York State Liquor Authority. Fairport Brewing Company is now open for business, and at this time is able to offer tastings, while selling its brews via growlers and growler fills. In the mean time, the registration process continues with the State Liquor Authority in order for FBC to sell kegs and bottles to retailers and consumers. The excitement is literally pouring out of the taps at FBC, as is evident within their [Facebook](#) & [Twitter](#) pages. Located at 1000 Turk Hill, Suite 298, Fairport, the establishment is situated right on the historic Erie Canal, and is within walking distance from the Village of Fairport. Even though the brewery has just recently received its official licensing, they are ready to offer an array of continuously changing beer selections at their tasting bar. The on-tap list on their [website](#) lists 6 unique and inviting brews to choose from. The current selection offers a range of styles, such as the *Lift Bridge Lager*, *Raiders IPA*, *Trail Town Brown*, and more. The brewery retail and tasting hours have recently been updated to the following:

- Monday: 5:00pm – 7:00pm
- Tuesday: 6:00pm – 9:00pm
- Wednesday: Closed
- Thursday: 5:00pm – 7:00pm
- Friday: 4:00pm – 7:00pm
- Saturday: 1:00pm – 6:00pm
- Sunday: Closed

The brewery has also noted that they are open later on Tuesday evenings in order for customers to stop by and see the brewing operations at work. This is a great experience for anyone interested in brewing, or just to see how it's done.
