Façade Grant Program Success!

The Fairport Local Development Corporation opened our most recent façade grant program in September 2023. Since then, we have approved 13 projects for grants totaling \$115,000; more than double what we anticipated! We extend big THANKS to property owners who are investing more than \$470,000 to create a more welcoming and accessible Fairport Village.

As this year-long program draws to a close, we are reminding local businesses that the last day to apply for the Façade Grant program will be **September 30, 2024**.

20th Annual Fairport Music Festival

Fairport OCED supports local events that make our community a great place to live, work, and visit!

We are proud sponsors of the Fairport Music Festival, now in its 20th year. This family friendly event is an annual fundraiser for Golisano Children's Hospital.

This festival brings visitors and residents together to enjoy great music, while showcasing the Village of Fairport as a vibrant, welcoming community.
